ANNOUNCEMENT
Educator Policy

We are excited to invite passionate educators to join the SIN School of AI. If you are an expert in AI and have a knack for teaching, we would love to have you on board as a Verified Educator. Here's a step-by-step guide to becoming a part of our esteemed platform:

Application Process
1. Course Proposal Submission
   - Submit your course proposal and detailed syllabus for review.
2. Jury Selection
   - A panel of experts will review and select the best proposals.
3. Interview Round
   - Shortlisted educators will be invited for an interview to assess their teaching approach and expertise.

Becoming a Verified Educator
Once selected, you will become a Verified Educator at SIN School of AI, gaining access to a wide range of benefits:
- Marketing Materials
  - Comprehensive marketing support to promote your courses.
- LMS Support
  - Full access to our Learning Management System for seamless course delivery.
- Certification
  - Official certification from SIN School of AI for your courses.
- Internship Opportunities
  - Selected students will get hands-on experience and internships with SIN Technologies.
- Special Access
  - Exclusive access to expert lectures on AI for you and your students.

Conditions
- Revenue Sharing:
  - SIN School of AI will charge 50% of the total course fee per student as a platform and maintenance fee.
  - Fees will be collected through SIN Education and then transferred to respective educator bank account.
- Minimum Enrollment:
  - Each course must have at least 20 students strength to be selected.
- Course Listing:
  - Your courses should be related to AI only.
